Dear Mr. Morrison,

I would like to take this opportunity to thank you for the very professional and efficient manner in which you executed the Trust/Estate of my late aunt,

Your personal guidance and the professional courtesy extended to our family were also sincerely appreciated.

Matters of this nature are not my forte and I'm so thankful I could just turn it all over, with confidence, to you and your wonderful staff.

Speaking of your staff, I must mention your paralegal, Adina. There are no adjectives of praise adequate enough to describe her. As I said, I do not speak legalese but found Adina to be a marvelous interpreter. She is so knowledgeable, so patient, so kind, so understanding. And believe me, I put her to the test! She is awesome, but I'm sure you already know that and take great pride in your entire practice, you should.

Thank you again. Wishing you continued success and all of God's greatest blessings personally and professionally.

yours truly,
