Frederick, MD 21701

Dear Mr. Morrison:

Thank you for participating in the Pro Bono Day event, which was held on July 9, 2012. The event was a great success. We served 148 individuals in 17 areas of law. We have received positive feedback from those who attended the event. Of the 49 volunteers, there were 23 private attorneys who participated.

Every client who completed a survey at this event said they would be interested in participating again in the future. The average rating of the Pro Bono Day experience by clients was 4.74 out of 5!

As you know, there is a tremendous need for quality legal services among those less fortunate in our community and you stepped up to respond to that need. Thank you for serving as a volunteer attorney for the Pro Bono Day event program and for the support that you have given to the Legal Aid Bureau.

Again, your efforts are truly appreciated.

Sincerely,

Nina Shore

Katie Cox
