

Scott,

10/12/12

Thank you so much for everything you have done. We received the Edible arrangement today...what a thoughtful gesture. Thank you so much. Much appreciated. I will continue to blabb about you to anyone who will listen... Thank you to Megan too..who also helped in creating a same environment for my dad and myself. My parents were married for 69 years...it was hard for him to lose her...but it was time.
